Senior Class History

In September 1940, the class of 1952 started their journey of twelve years through Convoy School. Our class was composed of forty-two pupils and Miss Catherine Dean was our teacher.

We passed from grade to grade with Mrs. Norma Carey, Mrs. Helen Smith, Mrs. Mary Meyer, Mrs. Rema Mohr, and Miss Jessie Driver as our teachers.

We entered Junior High in 1946. Besides finding a lot of hard work to do, we found that we were breaking into the social life of the school. Our Junior High class parties was a trip to the Toledo Zoo, a skating party at the Y. W. C. A. in Van Wert, and a party at Bluffton State Park. Our Junior High teachers were Mrs. Charlotte Stose and Mr. J. C. Edwards.

We were welcomed into high school by the Sophomores. We enjoyed a hayride and wiener roast and a party at the home of Rose Marie Scaer. Our sponsor was Mr. Dwight Smith.

During our Sophomore year we welcomed the Freshmen into high school and had a pot luck supper and skating party. We sold house numbers and mail box signs to make money. Donna Slane was chosen May Queen for the annual Spring Band Concert. Our class sponsor was Mr. Charles B. Brown.

Our Junior year was of great importance. First we chose our class rings. We alternated serving basketball concessions with the Seniors. Our most important event of the Junior year was the Junior-Senior Prom. Our setting was "Lure of the Woodland". Shirleyanne McDaniel was elected for May Queen. Our sponsor was Mr. Hebb.

In September, with a loss of three Juniors, we entered our Senior year with twenty-three in our class. We are trying to make money for our Senior trip.

In trying to make money, we had a skating party at Bell's Rink in the fall of our Senior year. We also had a few bake sales which added greatly to our treasury. In the spring we had a Carnival in which all the grades in the school participated with their different stunts. This proved to be quite a success, too.

Since this was our big year, we all worked hard on our activities. We realized that this was our last year together, and therefore we undertook our responsibilities with great anticipation of graduation.

We are looking forward to Baccalaureate, Commencement, and Senior class trip to Washington, D. C.

Junior Class History of 1953

It was the year 1941 when we, the Junior Class, started on the road named Education. We were guided this first year by Miss Catherine Dean.

In the fall of '42 we entered the second grade. This year we felt very important as we were permitted to do work which was sent to the fair.

The next few years passed rapidly; we all grew some, but there was still little change in us.

When we entered Junior High, things really seemed changed. In the eighth grade we were given the regular eighth grade tests in which we faired very well.

Our Freshman year really offered us challenges. First, that fine reception which the Sophomores so willingly gave to us. Secondly, we were faced with the problem of choosing our own subjects.

In our Sophomore year we were confronted with many more problems. One was the task of making money.

This year we have many things to look forward to. We want to give the Seniors a prom that will be remembered by all. Also we wish to get our foothold for our final year here in Convoy School.

Our class sponsor this year is Mr. Fox.

Sophomore Class History

In September of 1942, we Sophomores, forty-three in number, entered the first grade at Convoy with Miss Ruth Johnson, as our teacher. Mrs. Norma Carey, Mrs. Helen Smith Muntzinger, Mrs. Julia Friedly, Mrs. Rema Mohr, and Miss Jessie Driver also helped to prepare our way for high school.

Mrs. Charlotte Stose and Mr. J. C Edwards were our class sponsors in Junior High. The eighth grade test was very important to all of us. Several received high scores.

This year, in the Sophomore Class, we very cordially welcomed the Freshmen into high school by an initiation party as we were welcomed last year. Mr. Dwight Smith was our class sponsor last year and Mr. Edward Deitsch is our sponsor this year. Our class officers are: President, James Beatty; Vice-President, Doyle Weaver; Secretary-Treasurer, Pat Mohr; and Reporters, Janet Black and Lois Krugh.

We are all looking forward to the two remaining years at Convoy School.

Freshman Class History

In 1943 we started at Convoy, not knowing what was ahead of us. Mrs. Callow started us on our way in the first grade. Mrs. Norma Carey, Mrs. Helen Smith now Mrs. Muntzinger, Miss Muobourne now Mrs. Baker, Mrs. Mohr and Miss Driver were our grade teachers.

The next year we were upstairs and Mr. Knerr was our sponsor. The Junior High put on an operetta entitled "The Tea House of Sing Lo."

In the eighth grade we had Mr. Edwards for our sponsor. We took the eighth grade test. The Junior High put on an operetta entitled "The Grun and Silver Bowl." To climax that year we went to Columbus, Ohio for our trip. We also went to Fort Wayne, Indiana and Toledo, Ohio.

This year we were greeted by the Sophomores with a initiation. Mr. Reed is our sponsor. Our class officers for this year are as follows. President, Marlin Thompson; Vice-President, Cletus Welch; Secretary-Treasurer, Shriley Ackom; News Reporters, Larry Wendil and Martha Mohr.

We are looking forward to the rest of our high school days.

The members of the chapter have a total of seventy-three production projects and thirty improvement projects in their 1952 farming program. During the past year, the chapter had plots of two acres of tomatoes, three acres of sweet corn in which eighteen different corn hybrids were used. We sprayed over 450 acres of clover for the control of spittle bug and grasshoppers; corn and fence rows for the control of weeds and brush.

The chapter takes field trips and participates in other contests and activities. The chapter carries out a well-rounded social and recreational program not only locally but with other chapters. Some of these are wiener roasts, hayrides, playing basketball and softball, bowling parties, and square dances. Along with these, we sponsor a Parent and Son Banquet, which is held in April.

Driving Education

This year for the first time in our school's history driving education was offered on the curriculum. The class was composed of 12 members from the Junior and Senior Classes. Mr. Edwards, who had received special training in this course during the past summer was our instructor. Mollenkopf's garage loaned the class a '51 Ford and the school purchased dual controls for it. Regular classes were held on two days out of the week and the rest of the time was spent in actual driving. Everyone enjoyed this and soon we all had eight hours of "behind the wheel" driving. We then took the regular state driving examination and all passed it very easily. Now thanks to the driving education course, all twelve members of the class are licensed drivers.

Indian Sentinel

We have published three newspapers this year. Our first issue was the Thanksgiving issue followed by the Christmas issue and the Senior Edition. We have been quite busy publishing these papers since the typing class is not very large. Under the leadership of Mr. Fox, our typing teacher, we have without too much difficulty, accomplished the printing of these papers and we must say that it was really a lot of fun and very good experience for us.

Mixed Chorus

This year the total enrollment in mixed chorus is sixty-three. Under the capable leadership of Mr. Owen Roberts, we have succeeded in improving our music ability a great deal.

In November of 1952 we presented the minstrel, "Land 'o Cotton." It was filled with old-time musicals and comedy skits presented by various members of the chours and the entire chorus. The attendance was quite large, showing the success of our show.

March 29 many of the students competed in the district solo contest at Lima, Ohio.

Our chorus participated in the County Festival at Hoaglin-Jackson with Herbert Jones, music director from Van Wert, directing. We sang two numbers of our own and five with the entire group.

We held a program of fine music with Mr. Owen Roberts directing, in April. The general public was invited.

We feel that being a member of the chorus is indeed a fine opportunity.

The band has 76 members. Many of the members are young, and are learning to play their instruments correctly under the able direction of Mr. Linn, our band director.

The band played at the Decatur Callethumpiun parade, and received 3rd place. They also played in the Van Wert Halloween parade and received 2nd place.

The band took part in the County Band Festival in April. It was quite a success.

We know the band can put on quite a big showing by what it has already done.

BASKETBALL

During the course of the 1951-'52 basketball season the Indians won 10 out of 18 games.

The fans were thrilled throughout the season with the wonderful basketball the boys played.

In the tournament the Indians defeated York, then at the semi-finals beat Hoaglin-Jackson, in the finals we played Ohio City. We played in the sectionals at Celina against McGuffey. Convoy is really proud of their team.

We think that the Indians and their coach should be congratulated on their fine season play and sportsmanship they showed.

A Trip With My Imagination

1962.....

As I walk down the streets of Paris, France, something in the atmosphere brings back memories of my old school days and I long to see my classmates. A jet-propelled rocket, destined for Vienna, Italy, glides over to me, and I enter it, surprised to see that Commodore Paul Schaadt is the engineer. Paul tells me that Mr. and Mrs. Joe Schaadt, the Mrs. being the former Shirley McDaniel, are living on a 1,000 acre ranch in California and are successfully rearing ten children. Isn't that wonderful? Paul also tells me that Bob Sowers is running a filling station for air ships in Atlantic City.

I hear over the radio that Marlan Densel, the famed deep sea diver is now experimenting in the Pacific Ocean off the Philippine Islands.

Speaking of the Philippine Islands, isn't the world famous Monta Plaza Hotel located there? The owner is Dean Dean Mollenkopf. He is head life guard just to keep himself occupied. There are many little Mollenkopfs paddling around in the water. Dave Wagner is head bell hop at the Monta Plaza. I hear he almost lost his job when he tripped and dropped a tray of food on the head of a Comrade from Russia. Dean tells me that Mrs. Gene Schlemmer, the former Rose Marie Scaer, lives at the hotel year-round. She and her daughter appeared on the cover of Post Magazine last month. They are known for their Mother and Daughter modeling. I visit Rose Marie and she tells me that Eleanor Dominique is now a famous artist. Her master piece is "The Cat".

Donna Slane now holds a great position in Harry James' band. She is the piano player. They tell me she makes the orchestra.

Well, it looks like we're heading back to the United States. There, in the little state of Rhode Island is located a Gopher Farm, the owner, Miss Sandra Leslie. She is developing new species. I visit Sandra and her house is just beautiful. The interior decorating was done by Miss Nancy Davis. She attended college six years, studying the art of interior decorating. While I visit, two wrestlers were Wit Owens versus Gorgeous George. As usual, Wit Owens won. He is now World State Champion of wrestling.

Gerald Harting is now a professor of Science at Ohio State University. I hear he is quite a genius.

Talking about geniuses, I read in today's paper that Tom Clay, the famous Metropolitan Opera singer is appearing in New York City at Carnegie Hall with Marian Anderson. I'm very proud of him.

Marge Snyder has just published another song, "Uga Uga Boo, Uga Boo Boo Uga." Very different. It is getting to be a very popular song.

I plan to go to the Indianapolis Speedway this Sunday to see Ron Gaskill, better known as "The Speed Devil", in his last race. He will retire after this race.

Have you heard that Joe Wyandt reached his destination to the moon? He returned from his trip in his space ship last week, greeted by thousands of admirers.

Senator Max Barkley and his Campaign Officers just passed my window on the way to hear the returns of the voting. I hear later that he won a seat in the Senate.

The neighbors are having a furniture sale and their auctioneer will be Roland Klinger. Everyone wants to hire Roland. He is booked ahead for months.

Back to Paris again. I enter the Mai Ous Tea Shoppe and am greeted by Beverly Hoaglin, head waitress. She tells me that Donald Baker is the proud owner of this Mai Ous Tea Shoppe, located on Vienna Road here in Paris.
